

P6 Programmable Multicolor RGB LED Pharmacy Cross - Outdoor

Ref. DP6

LED pharmacy cross for outdoor RGB with green metal housing. Clearly programmable via WiFi. It includes a standard module for displaying date and time and a temperature and humidity module. It accommodates various scenes and effects that allow for a customizable setup. Being an RGB model with variable colors and designs, it is possible to program the cross according to the type of establishment: Pharmacies, para-pharmacies, medical clinics, dental clinics, veterinary practices, optical shops, etc. It's easy to set up, perfect for highlighting and promoting your business.
